Hi Prabhu,

Hope you can convey the same to QA team.

Thanks,
Belwinsha A

Hi Belwinsha,

I do not have any action created date for the actions listed and that cannot be sent since it gets generated based on rounds and after the approval of the first round is done the second round starts so the request date cannot be sent either.

Thanks,

Jacqueline Antonette

Hi Jacqueline,

Please send the Action created date for those docpro actions which is mentioned in the trialling email. It will be automatically listed in Action page if the action created date is shared to AM.

Thanks,

Belwinsha A
